EVENTS BROCHURE

About Us

Indian Institute of Information Technology Allahabad(IIIT-A) was established in 1999, as a center of excellence in Information Technology and allied areas by the Government of India. The institute has been conceived with the objectives of developing professional expertise and skilled manpower in Information Technology(IT) and related areas.

Asmita is the Annual Sports Fest of IIIT Allahabad. As one of the largest sports fests of India, it is a medium to promote sports and inculcate healthy sportsmanship in young minds in order to feed an arduous tomorrow.

Beyond Twenty by 2020

Stepping into its 20th year of existence, IIIT-A is celebrating the period of 2018-2020 to recommit everyone towards dedication for the Nation. Graced by the Hon'ble Vice President Shri. M. Venkaiah Naidu, Hon'ble Chief Minister of UP Yogi Adityanath, Hon'ble Governor of UP and various other dignitaries of state, we celebrated the Curtain Raising ceremony of a vision "Beyond twenty by 2020". This vision acts as a guiding principle for all the techno-cultural and other activities taking place in the institution.

Asmita'20 thus aims to promote individuals with good spirit and mental as well as physical toughness and thus, in future, participate in the ensured development of the nation, thereby pursuing the dream that the IIIT-A family has envisioned.
